

Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Friday 03 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery on Saturday.

This Evening and Tonight:

Clear periods across the east at first, some icy patches. Otherwise a mostly cloudy evening and night with showers or some longer spells of rain, occasionally heavy. The Western Isles becoming clearer and drier later in the night. Minimum temperature 1 deg C (34 deg F).

Saturday:

Cloudy start over Highland, otherwise some bright or sunny intervals and occasional showers, these mainly in the west and north. Snow on hills. Clear spells, isolated wintry showers overnight. Maximum temperature 6 deg C (43 deg F).

Outlook for Sunday to Tuesday:

Dry, cold and sunny on Sunday, rain and snow expected overnight and early Monday. Brightening up on Monday with some showers. Further rain and snow arriving Tuesday, gales developing.
